Application for Permit --- Public Firework Display

Section 981 of California Code of Regulations Title 19 requires all persons engaging in any type of fireworks activities to have a LICENSE issued by the State Fire Marshal. California Health & Safety Code sections 12640 – 12650 require LICENSEES who desire to conduct public firework displays to obtain permits from local permitting authorities where applicable. County of San Diego Code of Regulatory Ordinances Title 3 Division 2 Chapter 1 requires any person who desires to conduct a public display of fireworks to be issued a permit by the County.

Accordingly, the LICENSEE-PYROTECHNIC COMPANY identified in Section 1 below submits this application for a permit to conduct a public display of fireworks as described in Section 2.

LICENSEE-PYROTECHNIC COMPANY understands that issuance of the requested permit is contingent on information that will be submitted by the SPONSORING PARTY identified in Section 3 of this Application. Issuance of a permit is subject the California Environmental Quality Act (“CEQA”). Sponsoring party is responsible for submitting documentation supporting the application of any exemptions from CEQA. Alternatively, sponsoring party may propose that the permit be issued based on a negative declaration, mitigated negative declaration, or environmental impact report. Additional guidance on environmental requirements may be obtained from the County Department of Environmental Health.
