## Attention

The Escondido Fire Department requires the following Fire Protection Systems and designs be submitted for third party review for the *initial* plan check. The Fire Protection System Types are as follows:

**Fire Protection Systems** – Approved devices, equipment and systems or combination of systems used to detect a fire, activate an alarm, extinguish or control a fire or any combination thereof, i.e.

- Fire Sprinkler Systems, all NFPA 13,13D,13R systems
- Fire Sprinkler TI's, 6 or more heads
- All Fire Alarm Systems
- Underground Fire Lines
- Commercial Kitchen Cooking Systems, Standpipe systems
- FM200 Systems refer to Anne Bland only

After your plans have been checked by the outside agency, submit them, along with a letter or stamp recommending approval, to the Fire Department for final review. This review will consider the outside agency's comments as well as fire access and water supply requirements.

**Outside agency fee for initial plan check to be set by outside agency.**

**Fire Department Outsource Plan Check Fee - \$100.00 / hr**
