Escondido Fire Department Fire Explorer Three Strike Policy

Purpose: To give Explorers guidelines to use in meeting the standards of Explorer program. The Escondido Fire Department Explorer Post believes that guidelines used by Explorers to maintain membership in the Post, makes the Post more disciplined and coordinated. Explorers that make every attempt to abide by these standards of conduct will benefit by the enforcement of these same guidelines and standards.

Objectives:

1. To establish standards that let Explorers know what is expected and allowed.
2. To establish a system where Explorers that are not meeting the minimum standards are released from the Post for just cause.
3. To provide a method for Explorers to see what their current status in the Post is.

Policy:

Any Explorer that obtains more than three strikes will be dismissed from the Post. Rare or very unusual circumstances will be handled on a case by case basis by the Explorer Advisor. A strike is defined as one of the following:

- ❖ **One excused absence**-any absence without **prior** notification utilizing the Explorer voicemail line or **prior** verbal notification and approval of the Explorer Advisor.
- ❖ **Three excused absences**-Three excused absences, cumulative, will equal one strike.
- ❖ **Three Uniform Violations**-Three uniform violations, cumulative, will equal one strike. A uniform violation is any utilization of the Explorer uniform that is not consistent with Department policy during Explorer functions.
- ❖ **Three Tardies**-Three tardies, cumulative, will equal one strike. Explorers are required to arrive at least 15 minutes before any Explorer function unless advised otherwise by Advisor.
- ❖ **Three Ride Along Violations**-Three Ride Along violations, cumulative, will equal one strike. Any Explorer whose conduct is less than professional or behavior that does not meet Department or Post standards during a ride along.
- ❖ **Three Conduct Violations**-Three conduct violations, cumulative, will equal one strike. Any Explorer whose behavior is less than professional during any Explorer function.

The Explorer Advisor will be in charge of keeping track of the strike totals. When possible the Advisor will advise the Explorer receiving the strike of the reason for it being given. For unexcused absences, it is assumed that a strike was issued.
